- ✓ Network with Idaho professional-technical educators, counselors, and administrators.
- ✓ Learn up-to-date teaching ideas and techniques for use in the classroom.
- ✓ Attend hands-on workshops on the latest applications with professional instructors.

Here is **YOUR** opportunity to contribute to this exciting conference. Even the smallest idea can make a difference.

The committee is looking for people with vision and the willingness to share their ideas with others. Professionals from university, college, middle, secondary, and postsecondary, adult, and private schools are needed to make presentations to our colleagues.

Counselors, administrators, and business executives are also invited to contribute their expertise.

If you would like to present a workshop on a topic that would be of value to our participants, please complete the form below. Submit your presentation proposals (with a 100 or fewer word description) **prior to December 15, 2006** to:
